### **Present Status**

The academic year 2021-22 started with official inauguration by Sri Rahul Krishna Sharma IAS, Sub-Collector, Devikulam. This year we have 375 students on roll in 6 UG programmes, such as BA English, BCA, BBA, BSW, B.Com Computer Application and B.Com Finance and Taxation, and 2 PG programmes - M.Com Finance and Taxation and MA English. Our planned New courses are MA HRM and MSW. I am proud to announce that we had full regular classes during this academic year either in online mode during the restrictions of Corona Pandemic or in offline mode after lifting the governmental restrictions. Our students acquire good result in the university examinations with A grades and the like.

We provide different Add-on courses, both diploma and certificate courses, for the students that make them eligible to apply directly for governmental, corporate and other jobs.

### **Infrastructure**

We have a good college building with almost 27 class rooms. That also means we have few excess rooms for newly coming courses and one auditorium with fixed stage. As you see in the ground floor, we have good library with several thousands of books, journals, magazines,

etc. with digital library having DSpace. Our computer lab is furnished with 40 computers and a projector and we have fully digitalized seminar hall and conference hall with computer system, projector and audiosystem that enables our staff and students to engage themselves with advanced technologies in learning. Few of our class rooms are now fully digitalized and shortly today itself we will have its official inauguration.

## **Other Facilities**

We have hostel facilities for both boys and girls and bus services to different areas for easy conveyance of our staff and students. A canteen service is available within the campus for cool drinks, snacks, and other office and academic stationaries. The extension of our ground is on work and is getting ready in the front side.

We provide fee concession to the eligible students and there is Fr. Basilius study help and scholarship for the bright students.

## **IQAC**

The functions of IQAC is very much coordinated in the college and it makes sure the quality of our staff, students and of different programmes conducted in the college. It organizes different activities and programmes of both academic and non academic stream for the students and staff.

## **Clubs, Cells and Association**

The placement cell is now very active at Sanjo College and it takes care of campus recruitment, placement drive, job fair, pre-job training, interview training, and other such activities for the benefit of our students in view of placement and job. I am happy that last week we had a training session and campus recruitment by career villa, in which 8 of our final year students have been selected and shortlisted for further company interview.

The NSS wing is very active in our college and does several social work activities within the campus and outside. We have different clubs functioning in the college such as women development cell, anti-ragging cell, nature club, red ribbon club, reading club, Arts and Sports Council, etc. Facility for cricket, volleyball, badminton, kabadi, and other sports activities are available. I am happy to announce also that our students won 4 gold medal and 5 silver medals in the district senior athletic championship conducted two weeks back in Kalvarimount, Idukki. And one of our final year students won third prize in Mr. Idukki district competition.

Also we have departmental academic associations like Alita (English), to conduct varieties of programmes for the students.
